GLOBAL FORUM ON KNOWLEDGE INTEGRATION: GOVERNANCE, SOCIAL SCIENCES, AND HUMANITIES

ABOUT SYMPOSIUM

International Symposium is a scientific event where presentations are made regarding the results of scientific work or the application of technology in public administration. The International Symposium Global Forum on Knowledge Integration: Governance, Social Sciences, and Humanities, organized by the Centre of Policy and Development Studies (CPDS), will be held on November, 2025, at Sungkyunkwan University (SKKU). The symposium will focus on exploring interdisciplinary innovations across governance, public administration, social sciences, and humanities. Special attention will be given to the role of digital transformation in advancing governance and public policies. The event aims to bring together scholars, policymakers, and practitioners to address global challenges and promote solutions that integrate academic knowledge with practical applications. Participating in international symposium have many benefits. The advantages of attending this symposium include: expanding your professional network, broadening your knowledge of public administration and potentially other sectors, sharpening your analytical skills, and improving your public speaking abilities. The symposium schedule include opening ceremonies, keynote speeches, panel discussions, and parallel sessions.
